Doug, thank you. Sorry about calling you at home.

I'll relay to our OSC, Bret Moxley, who's on way back right now.

Subject: Geotech experience with earthen dams

=====

Steve,

It was good talking with you yesterday. I spoke briefly with David Tang, and he does have some experience with earthen dams. Feel free to contact David directly to discuss his experience and how it might relate to your project needs. His direct line is (925) 839-2250.

Thanks!

Doug
